

Has Your Cat Been Losing Weight or Not Eating Well?

The Cat Care Clinic is participating in the second stage of a clinical trial involving cats that have lost weight or have decreased appetites. We can screen most senior cats and other cats with controlled chronic health problems that need a little appetite boost.

- Two week study
- Involves application of a topical gel once daily to the inside of your cat's ear.
- This mode of therapy avoids the stress of oral liquids or pills.
- All examinations and lab work will be covered by the trial.
- Eligible cats cannot currently be on any medications that boost appetite.

Please give us a call at 714-282-2287 to see if your kitty is eligible for this great trial.

Upcoming Clinical Trial - New Diabetic Cats

If you have a cat that is newly diagnosed with diabetes mellitus, we will be starting a new study comparing a novel oral medication to insulin injections in the control of diabetes. More information to follow but we expect to start enrolling patients mid-December 2015.

Does Your Estate Planning Include Your Kitty?

We all love our pets and want them to be loved and cared for, but what if your pets outlive you? Can you truly count on someone to take them in or make good decisions about care? This article previously appeared in the Orange County Register and if you didn't read it or haven't made any provisions, [please read more >>](#)

Holiday Boarding

During the Christmas holiday time, we quickly fill up for boarding. Don't delay and call us today to make your [boarding reservation](#).

Facebook

Do you have a unique picture of your cat or a cat story that you'd like to share on our clinic Facebook page? If so, please send to Erika@catcare.com and we will see if it is something that we can include. We are working on more frequent postings and information to improve our Facebook interaction with our clients and other cat lovers.

Holidays Are Coming Schedule A Stay With Us

Cat Food Drive

We are excited to help local rescues feed their beloved felines. The Cat Care Clinic is working with the Community Animal Network and other local rescue groups to provide free food to their foster cats.

Your donations of dry or canned cat food are welcome and the food drive will take place through **November 30th!** If you don't have time to purchase pet food, monetary contributions are also welcome and will be used to purchase additional food.

All donations should be **unopened and not expired**. Any sizes and brands are welcome.

November Adoption Specials at Orange County Animal Services

November is here and there are two great adoption discount weekends coming up. This first will be Animals for Armed Forces, when our military and their immediate family will receive free adoptions. This event will be from November 14-15 and is sponsored by Animals for Armed Forces Foundation.

HONORING & THANKING OUR DEDICATED SERVICE MEN & WOMEN

ANIMALS FOR ARMED FORCES
